

Curriculum Vitae	
Personal information	
Surname / First name	Šabanović Edin
Address	Omladinskih radnih brigada 14, 71000 Sarajevo, Bosnia and Herzegovina
Telephones	Mobile: +387 61 161 197; Private: +387 33 469 711
E-mail	edin.sabanovic@bhas.gov.ba edin.sabanovic1961@gmail.com edinsabanovic@yahoo.com
Nationality	Bosnia and Herzegovina
Date of birth	13.11.1961
Gender	Male
Occupational field	Statistician/Data Analyst/University Lecturer/Researcher
Work experience	
Primary	Permanently employed
Name and address of employer	Agency for Statistics of Bosnia and Herzegovina, Sarajevo, Bosnia and Herzegovina
Type of business or sector	Governmental institution
Dates	December 2008 - onwards
Position held	Assistant Director in the Sector for Statistical methodology, Standards, Planning, Quality and Coordination; Living Standards and Poverty Statistician; Price Statistician
Main activities and responsibilities	<ol style="list-style-type: none"> 1. Management in The Sector for Statistical Methodology, Standards, Planning, Quality and Coordination 2. Quality management, preparation of quality report templates for statistical surveys 3. Advisory for statistical methodologies, methods and processes 4. Training of the staff in statistics, survey methodology and use of statistical software 5. Preparation of sample frames 6. Sample designs and selection 7. Data processing: data entry, preparation of databases, data validation, data editing and imputation 8. Data analysis: weighting, non-response treatment, development of variables and statistical indicators, tabulation, complex data analysis 9. Results analysis: calculation of survey errors, analysis of the results under different hypothesis, development of prediction models 10. Team leader for Post-Enumeration Survey of the Census of Population, Households and Dwellings 11. Team leader for the preparation, conduction and analysis of specific statistical surveys (Household Budget Survey, EU-SILC, Living Standards Measurement Survey, CPI survey) 12. Preparation of quality reports for statistical surveys (HBS, EU-SILC, CPI) 13. Methodological support for specific statistical surveys (Labour Force Survey, Farm Structure Survey, Survey on ICT usage, Adult Education Survey) 14. Preparation of working programs and plans, analysis of the plan achievement

	15. Co-operation and co-ordination of statistical surveys between entity statistical institutes 16. Preparation, explanation and introduction of statistical methodologies, classifications and nomenclatures 17. Data protection and work on statistical confidentiality
Name and address of employer	Sarajevo School of Science and Technology
Type of business or sector	University education-Private institution
Dates	March 2022 - onwards
Position held	University lecturer in Introduction to Econometrics (part-time employed)
Main activities and responsibilities	1. Teaching students 2. Conducting examinations for students 3. Reporting 4. Scientific work
Name and address of employer	Agency for Statistics of Bosnia and Herzegovina, Sarajevo, Bosnia and Herzegovina
Type of business or sector	Governmental institution
Dates	November 2002 – November 2008
Position held	Senior Adviser for Statistical Methodology and Sampling, Living Standards and Poverty Statistician, Price Statistician (full-time employed)
Main activities and responsibilities	1. Advisory for statistical methodologies, methods and processes 2. Preparation of sample frames 3. Sample designs and selection 4. Data processing: data entry, preparation of databases, data validation, data editing and imputation 5. Data analysis: weighting, non-response treatment, development of variables and statistical indicators, tabulation, complex data analysis 6. Results analysis: calculation of survey errors, analysis of the results under different hypothesis, development of prediction models 7. Team leader for the preparation, conduction and analysis of specific statistical surveys (Household Budget Survey, Living Standards Measurement Survey, CPI survey) 8. Preparation of quality reports for statistical surveys (HBS, LSMS, Living in B&H, CPI) 9. Team leader for the preparation, conduction and analysis of specific statistical surveys (Household Budget Survey, Living Standards Measurement Survey, Living in B&H, CPI survey) 10. Methodological support for specific statistical surveys (Labour Force Survey, Farm Structure Survey) 11. Preparation of working programs and plans, analysis of the plan achievement 12. Co-operation and co-ordination of statistical surveys between entity statistical institutes 13. Preparation, explanation and introduction of statistical methodologies, classifications and nomenclatures
Name and address of employer	Federal Institute for Statistics, Sarajevo, Bosnia and Herzegovina
Type of business or sector	Governmental institution

Dates	June 1998 – September 2002
Position held	Senior Adviser for Statistical Methodology and Sampling (full-time employed)
Main activities and responsibilities	<ol style="list-style-type: none"> 1. Advisory for statistical methodologies, methods and processes 2. Preparation of sample frames 3. Sample designs and selection 4. Data processing: data entry, preparation of databases, data validation, data editing and imputation 5. Data analysis: weighting, non-response treatment, development of variables and statistical indicators, tabulation, complex data analysis 6. Results analysis: calculation of survey errors, analysis of the results under different hypothesis, development of prediction models 7. Member of the team for the preparation, conduction and analysis of specific statistical surveys (Living Standards Measurement Survey, Living in B&H) 8. Preparation of quality reports for statistical surveys (LSMS, Living in B&H) 9. Methodological support for specific statistical surveys (Labour Force Survey) 10. Preparation of working programs and plans, analysis of the plan achievement 11. Preparation, explanation and introduction of statistical methodologies, classifications and nomenclatures
Name and address of employer	Faculty for Economics, University “Džemal Bijedić”, Mostar, Bosnia and Herzegovina
Type of business or sector	University education-Public institution
Dates	August 1997 – May 1998
Position held	Assistant and Senior Assistant in Statistics, Mathematics for Economists II and Operational Research (full-time employed)
Main activities and responsibilities	<ol style="list-style-type: none"> 1. Teaching students 2. Conducting examinations for students 3. Reporting 4. Scientific work
Dates	August 1993 – July 1997
	Break in Employment. Lived in Germany as a War Refugee.
Name and address of employer	Faculty for Economics, University “Džemal Bijedić”, Mostar, Bosnia and Herzegovina
Type of business or sector	University education-Public institution
Dates	April 1986 – July 1993
Position held	Assistant in Statistics, Mathematics for Economists II and Methods for the Calculation and Distribution of Income (full-time employed)
Main activities and responsibilities	<ol style="list-style-type: none"> 1. Teaching students 2. Conducting examinations for students 3. Reporting 4. Scientific work

Name and address of employer	Faculty for political sciences, University of Sarajevo, Bosnia and Herzegovina
Type of business or sector	University education-Public institution
Dates	1998-2003; 2009-2015
Position held	Senior Assistant in Statistics and Demography (part-time employed)
Main activities and responsibilities	<ol style="list-style-type: none"> 1. Teaching students 2. Conducting examinations for students 3. Reporting 4. Scientific work
Name and address of employer	Faculty for economics and business, University of Sarajevo, Bosnia and Herzegovina
Type of business or sector	University education-Public institution
Dates	2006-2011
Position held	Senior Assistant in Statistics (part-time employed)
Main activities and responsibilities	<ol style="list-style-type: none"> 1. Teaching students 2. Conducting examinations for students 3. Reporting 4. Scientific work
Name and address of employer	Faculty for Criminology, University of Sarajevo, Bosnia and Herzegovina
Type of business or sector	University education-Public institution
Dates	1998-2003
Position held	Senior Assistant in Statistics (part-time employed)
Main activities and responsibilities	<ol style="list-style-type: none"> 1. Teaching students 2. Conducting examinations for students 3. Reporting 4. Scientific work
Name and address of employer	Faculty for Information Technologies, University of Mostar, Bosnia and Herzegovina
Type of business or sector	University education-Public institution
Dates	2000-2002
Position held	Senior Assistant in Statistics and Operational Research (part-time employed)

Main activities and responsibilities	1. Teaching students 2. Conducting examinations for students 3. Reporting 4. Scientific work
Education and training	
Dates	2008-2020
Title of qualification awarded	PhD in Economics
Main activities and responsibilities	Statistics and Quantitative Economics. PhD thesis: "Methods for Treatment of Missing Data in Surveys and Their Application in the Household Budget Survey in Bosnia and Herzegovina".
Name of organisation providing education	University of Sarajevo, Faculty for Economics and Management, Sarajevo, Bosnia and Herzegovina
Dates	January 1999
Title of qualification awarded	State Exam for Civil Servants
Main activities and responsibilities	Constitution, Legislation; Administrative Procedures
Name of organisation providing education	Ministry of Justice of Federation Bosnia and Herzegovina, Sarajevo, Bosnia and Herzegovina
Dates	November 1986 – April 1998 (break in the period 1991-1997)
Title of qualification awarded	Master of Science in Economics (Average note 9.8 out of 10)
Main activities and responsibilities	Statistics and Informatics. Master thesis: "Methods of Classification - Some Aspects of Their Application in Economic Surveys"
Name of organisation providing education	University of Belgrade, Faculty for Economics, Belgrade, Republic of Serbia and University “Džemal Bijedić” Mostar, Faculty for Economics, Mostar, Bosnia and Herzegovina
Dates	October 1981 – October 1985
Title of qualification awarded	Bachelor of Science in Economics (Average note 9.6 out of 10)
Main activities and responsibilities	Economics and Business
Name of organisation providing education	University “Džemal Bijedić” Mostar, Faculty for Economics, Mostar, Bosnia and Herzegovina

Dates	October 1980 – September 1981 Break in Education. Military Service.
Dates	1976 – 1980
Title of qualification awarded	Secondary School Certificate of Graduation
Main activities and responsibilities	General Education
Name of organisation providing education	Gymnasium, Stolac, Bosnia and Herzegovina
Relevant trainings	<ol style="list-style-type: none"> 1. Sampling Technique in Practice, University of Southampton and TES Institute, Southampton, United Kingdom, 1999. 2. SOLAS Software, University Paris Dauphine, Paris, France, 2000. 3. Poverty analysis based on Living Standard Measurement Survey in Bosnia and Herzegovina, The World Bank, Washington DC, USA, February-March 2002. 4. Sampling techniques applications, US Department for Agriculture, Cochran Fellowship, Washington DC, USA, October 2002. 5. Basic Poverty Measurement and Diagnostics, The World Bank Institute, Washington DC and Central European University, Budapest, 2003. 6. Sampling methods, ISTAT, Rome, Italy, 2005. 7. Index Theory and Price Statistics, TES Institute, Belgrade, Serbia, 2005. 8. Multiple Indicator Cluster Survey, UNICEF, Sarajevo, 2006. 9. Training on Social Development Skills and Competencies, Workshop with practical application in STATA , London School of Economic Consortium, DfID-UK Department for International Development, Sarajevo, 2007. 10. Training on Poverty Indicators, Workshop with practical application in STATA , London School of Economic Consortium, DfID-UK Department for International Development, Sarajevo, 2007. 11. Training on Inequality Indicators, Workshop with practical application in STATA , London School of Economic Consortium, DfID-UK Department for International Development, Sarajevo, 2007. 12. Survey Sample Co-ordination, Summer school, Orebro University and Statistics Sweden, 2007. 13. PhD course on Analysis of Longitudinal Data, Orebro University, Sweden, 2007. 14. Training course on working days and seasonal adjustment, CARDS 2003 Programme-Regional Programme on Statistics, Sarajevo, February 2008. 15. Meta Data Seminar, SIDA, Tirana, Albania, June 2009. 16. Workshop on Child Poverty Indicators, UNICEF BiH and The University of York, Sarajevo, July 2009. 17. Quality Management in Statistical Agencies, IPA 2007 Multi-beneficiary Statistical Co-operation Programme, EC, Sarajevo, September 2009. 18. Workshop on Results Based Management (RBM), Statistics Sweden and SIDA, Sarajevo, BiH, September, 2009. 19. Training Course on Advanced Methods of Survey Sampling, Federal Statistical Office, Neuchatel, Switzerland, October 2009. 20. Use of Administrative Registers in Production of Statistics, Statistics Norway, Oslo, September 2010 21. Workshop on Population Census, IPA 2008 Multi-beneficiary Statistical Co-operation Programme, EC and Hungarian Central Statistical Office, Budapest, December 2010. 22. Seminar on Non-response in Statistical Surveys, Statistics Sweden and SIDA, Tirana. Albania, January 2011.

23. Seminar on Data Editing and Imputation, Statistics Sweden and SIDA, Banja Luka, BiH, February 2011.
24. Analysis of Survey Data, Summer School in Statistics 2013, Orebro University and Statistics Sweden, August 2013.
25. Introduction to SAS statistical software within SAS Enterprise Guide, Course in DESTATIS-National Statistical Institute of Germany, February 2018.
26. Small Area Estimation, Statistical Course in DESTATIS-National Statistical Institute of Germany, March 2018.
27. Imputation Methods in Practice, Statistical Course in DESTATIS-National Statistical Institute of Germany, March 2018.
28. Statistical Matching-On line course of EMOS-European Master of Official Statistics, April 2018.
29. Introduction to Statistical Data Editing-On line course of EMOS-European Master of Official Statistics, April 2018.
30. Sampling Methodology - FRIBS / SPPI, 5 Months training in DESTATIS-National Statistical Institute of Germany, Trainee Programme for Statisticians at Eurostat, EU Member States and EFTA Countries in the Framework of the IPA 2015 Multi-beneficiary Statistical Cooperation Programme, Wiesbaden, Germany, January-June 2018.
31. Statistical software courses: SPSS, STATA, R
32. Courses for Word, Excel, Access
33. English Courses in the British Council, Sarajevo, Bosnia and Herzegovina
34. English Courses in the Skola English in Exeter, Exeter, United Kingdom
35. German courses for the international certificate "Deutsch als Fremdsprache", Volkshochschule Bremerhaven, Germany
